Monica,

Alaska Senator John Coghill sent a FOIA request dated March 27, 2014 and addressed to HQ and R10. I logged in the request on April 2nd and created a comment in the case file stating that this request is similar to HQ-2014-005042 and recommend that HQ take the lead on this request as well with R10 providing input. On April 4th, this case was transferred back to R10 stating the you will follow-up with Judy Smith on HQ and R10 assignment.

I've consulted with Judy Smith, R10's Bristol Bay SME, and based on our review of Coghill's records description, we both agree that HQ OA or OECA would likely have the bulk of responsive records and therefore should take the lead on this request with R10 providing input. R10 will have input on Items number 1, 3, 6, 8, 13, 14 and 15.

Please review the attached request letter and case file comments and let us know how you would like to proceed.
